

True Michael Foundation Mission

Our Goal is to provide and share information on the subject matters pertaining to, the “Bible’s” Historical Genealogical Records, as well the account of all stories of events and location as recorded in world history provided with the use of the historical scholars of Wikipedia.

The True Michael Foundation follow no religious organization, however we do hold true to all information recorded over time in all “The Bible” translations leading up to today’s ENGLISH STANDARD VERSION.

Why we support “The Word of God” of how we are God’s people from “The Beginning”.

It is our only “Record or Story” available known as how we began from “The Beginning”.

It is true that as understanding of times change of “Recording Information” of versions or interpretation of words of languages do as well. So as Understanding changes are made, so do the words to describe that information.

We know that from the time of the “Geneva Bible” written in “Latin”. It was then translated to English to the KING JAMES VERSION, a Royal descendant of Jesus Christ.

From then, the present day language we speak is called the ENGLISH STANDARD VERSION.

We also believe that we are all Descendants of Our Lord Jesus Christ the son of God, which The True Michael Foundation is committed to provide the Truth.

Our Advocacy is the same as Jesus Christ, to provide knowledge and healing to those who seek it, in faith and works of charity in hope to change or transform the world into “Heaven on Earth”.

[Anyone Not Against Us Is For Us]

⁴⁹ John answered, “Master, we saw someone casting out demons in your name, and we tried to stop him, because he does not follow with us.” ⁵⁰ But Jesus said to him, “Do not stop him, for the one who is not against you is for you.”
